The NCCO has established a music tuition assistance/scholarship program to enable students in financial need, who exhibit musical potential, to have partial funding on a sliding scale to participate in string instrument lessons in the NCCO - Music Magic String Education Program. Presently we are accepting applications for children in Nelson County who meet the criteria of financial need and musical promise. We will make every effort to assist those students who show commitment and enthusiasm but whose families would find it difficult or impossible to pay full rate for lessons. The awards will be based on student need and available funding and donations.

Please mail or email this application form with your child's essay and enrollment form to: NCCO-SEP, PO Box 295, Nellysford, VA 22958. Applications are continuously accepted. However, applications are reviewed in the order received and scholarships are awarded based on funding availability. If you have questions, please use the email below or call 434-361-1311
